Reason: The Debtors have conducted a review of the filed proof of claim and any related accompanying materials and their books and records. Based on this review, the Debtor submits that the customer asserted cryptocurrency quantities and fiat grossly overstate the quantities and holdings in such customer's accounts. In addition, the customer asserts an equity interest in one or more of the Debtors. Pursuant to the Non-Customer Bar Date Order (DI 1519), a person or entity who holds an interest in any of the Debtors must file a proof of interest on account of the ownership of such equity interest by the Non-Customer Bar Date and such equity interests are not customer claims against any of the Debtors. Accordingly, the Debtors seek to reduce such customer's claim to the modified quantities and amounts.
